DETAILED ACTION

Remarks

1. In view to the Appeal Brief filed on 19-December-2005, claims 1-9 and 11-31 are pending in the application, of which claims 1, 11, and 19 are presented in independent form.

Allowance

2. Claims 1-9 and 11-31 are allowed over the prior art made of record.
3. The following is an examiner's statement of reasons for allowance:

The appellant's arguments presented in the Appeal Brief filed on 19-December-2005 are found persuasive in that the independent claims 1, 11, and 19 recite limitations not taught or suggested by the prior art made of record:

The prior art made of record fails to teach or suggest "in response to a database query, selecting less than all the plural data servers based on the partitioning of the data to reduce the number of plural data servers involved in processing the database query", as recited in independent claims 1, 11 and 19.

Claims 2-9 and 22-26 are allowed as dependents of allowed independent claim 1.

Claims 12-18 and 27-28 are allowed as dependents of allowed independent claim 11.

Claims 20-21 and 29-31 are allowed as dependents of allowed independent claim 19.
